

## **Create a "Saturn Holidays" Advert**

Read the silly advert on page 3 of Your Reach which advertises Holidays on the Sun. Do some research about Saturn and create your own advert below. It can be funny but it needs to be informative with some facts and figures.

Make sure anyone that reads it will learn something about Saturn.

You can use the pictures of Saturn on the Pages 4 & 5 of Your Reach to help you draw the advert so people know what Saturn looks like.

**Don't forget Your Reach is packed full of FUN, PUZZLES and lots to think about!**
