

Write your own prayer

Based on page 6 of **Your Reach** Spring 2019, read the story about Penguino – especially the part which tells us how important and amazing we all are. Write a prayer thanking God for everything we are able to do. Ask him to help us to treat each person we meet the way we should this Lent.

Write your prayer below:

A series of ten horizontal red lines for writing a prayer. A faint, light grey illustration of two hands clasped in prayer is centered behind the lines.

AMEN
